## Ice Age Animal Pasta Skeletons

### Materials:

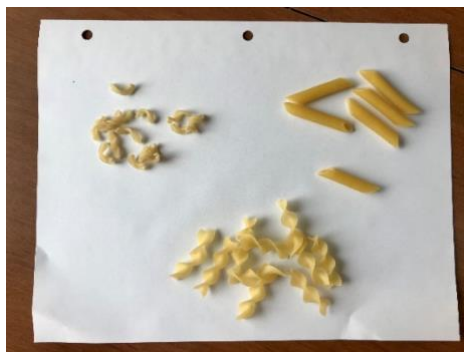

- Paper
- Different sizes and shapes of dried pasta
- Glue (optional)

### Instructions:

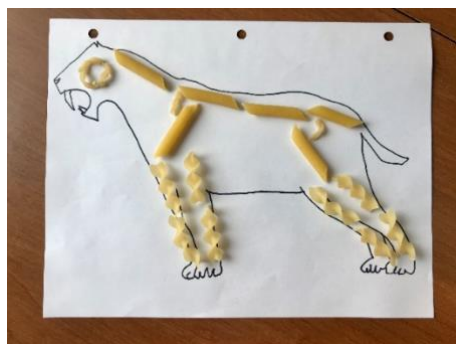

1. Choose an animal outline or create your own.

2. Using the assortment of pasta sizes and shapes, create a skeleton of an ancient animal.

3. Mix them up and make a different animal skeleton. Be as creative as you want!

*Optional: glue down the pasta if you want to keep your creation.*
